Local Income: Total receipts for June were $6,747.47 and expenses were $26,879.43. The projected end-of-year balance is $1,262,377.77. Debbie reported that $50,000 of this balance has been moved to the Technology Fund, however because of a glitch in the software the amount still shows in the Local Income Fund. Dell is working on fixing this glitch.

After Dark CPL Appropriations Report: This fund has been closed.

Technology Fund: Month-to-date expenses of $158.75 and year-to-date expenses of $16,968.99. The current balance is $33,031.01. **Director's Report**

CHA submitted a written report for the Board packets and added some highlights at the meeting.

- Strategic Planning continues apace; NEO has been hired by Ritter Public Library and is making a presentation at Kirtland Public Library in August.
- NEO will have a new KSU practicum student in the near future. Holly Klingler will supervise the student's work.
- CHA and Melissa Lattanzi attended the Regional Library Meeting at the State Library.
  - The State Library will be offering LSTA grants; the theme is literacy. CHA will develop a 'how to do it' webinar to help libraries with applications.
  - The State Library will be surveying Library directors and staff about the Regionals. Beverly Cain is very supportive of the Regional Library Systems and wants to make sure that things are working well. CHA encouraged all to participate in the survey.
  - Melissa is going to negotiate a Regional-wide contract with Andrew Sanderbeck and the People Connect Institute for webinars.
- CHA is applying to participate in ALA’s Career Development Facilitators training. The Ohio Library Council has agreed to write a letter of support for Cathy in her pursuit of this training.

**Continuing Education Report**

Melissa submitted a written report and highlighted the following:

- She developed a spreadsheet of attendance at all programs for the year for the Regional Library System meeting. NEO-RLS offers the most programs and has the best attendance – 2,267 people attended face-to-face and online CE programs.
- Six public library systems have signed up to attend Staff Day
- The “Day for” series continues to grow – she recently had a request to develop a “Day for IT”

**Emerging Technology**

Holly submitted a written report and added the following highlights:

She was very excited to have the opportunity to play with Google Glass at the Hudson Public Library & Historical Society! She is taking the Tech Lab on the road and has visited Willoughby-Eastlake, Grafton-Midview and will be at Kirtland in August.

- She is tweaking the NEO Star program. This year, the top five nominees will be invited to the April Showcase; Beverly Cain will pick the winner.

**Board Officers – No Reports**

**Committee Chairs**

Jim Wilkins reported for the Dues Taskforce which met in June. The current dues structure does not work anymore. The taskforce developed a new structure based on FTEs. There will be three levels of membership; gold, silver, or bronze. Libraries will pay dues based on the number of FTEs employed and then, receive a percentage off of certain events based on level of membership (gold = free continuing education and 60% discount on other services, silver=50% discount and bronze=25%).

Cecilia Swanson asked why the structure is based on FTEs and not revenue. CHA responded that research indicates that the current and upcoming workforce want to see value from membership and this structure shows the value of NEO-RLS dues as an investment in a library’s staff.

CHA distributed a draft of the letter that will be sent to library directors outlining the changes. Each letter will be personalized for each library, showing what the dues were for the immediate past year and what they would be under the new structure.

Cecilia Swanson suggested a sentence be added about the investment in staff. Mary Frances Burns suggested adding a statement about what additional services each library purchased in the immediate past year (i.e. book discussion, game circuits, strategic planning, etc.).

CHA asked the Board to encourage other library directors to contact Jim Wilkins if they have questions.

The Dues Taskforce and the Finance committee will meet in August and hope to present the new structure to the Board in the fall.

*Kathy Pape and Joe Zappitello left the meeting at 11:10am*

**Board President**

Approval of Board Calendar – the calendar for 2-14-2015 reduces the number of Board Meetings. Joe Palmer moved to approve the calendar and Laura Leonard seconded the motion. Motion carried by voice vote.

**Committee Descriptions and Sign-up**

CHA distributed the Committee sign-up sheets. All Board members are encouraged to participate. Nancy Currie will contact previous committee members and encourage continued participation.
