Preface

The purpose of this Policy Manual is to provide each employee and Board Member of the Northeast Ohio Regional Library System (herein after referred to as NEO-RLS) with a ready reference guide to the organization’s policies and practices.

All employees must, as a condition of their employment, become familiar with and abide by said policies and practices.

Copies of this manual and updates or deletions from it will be provided to all employees and Board Members. Furthermore, an up-to-date copy of the manual will be available for inspection in the Executive Director’s Office and the Fiscal Officer’s Office. Changes to the manual will be announced through appropriate in-house communications or by distribution of updated pages.

This manual will be reviewed bi-annually or at the request of the Board by the Bylaws/Policy Committee of NEO-RLS’ Board of Trustees. Changes and revisions will be approved by the full NEO-RLS Board of Trustees. Statements printed in the Board Minutes shall have the same effect and/or may supersede those found in the manual.

If the meaning or interpretation of a particular policy, practice, or update is unclear, an employee should consult with the Executive Director. In cases where interpretation is necessary, the Executive Director shall render the final judgment interpreting the statements in this manual.

Before adoption, the manual and updates will be reviewed by the NEO-RLS Board of Trustees. They may also be reviewed by legal counsel if deemed necessary. Within the confines of local, state, and federal law, the Board of Trustees of NEO-RLS retains the right to change, suspend or make exceptions to this manual at any time.
I, the undersigned employee of the Northeast Ohio Regional Library System, acknowledge that I have received a current copy of the NEO-RLS Administrative Policy Manual.

I have had an opportunity to read and discuss its contents with the Executive Director. I agree to abide by the policies and practices contained in this manual.

I understand that my failure to abide by the policies and practices set forth in the manual and other appropriate communications may result in disciplinary action up to and including termination of employment.

I agree that nothing herein should be construed as a direct or implied contractual commitment between NEO-RLS and its employees with respect to the duration of employment, level of compensation, or any other terms or conditions that are part of the employment relationship.

I understand that the employment relationship between NEO-RLS and its employees is an at-will arrangement and may be terminated at any time by either party.

2.9 Compliance with Ohio's Open Meeting Law

2.9.1 Open Meetings and Agenda Notification

NEO-RLS welcomes membership and public participation at its Board meetings. Meeting dates are determined at the Organization Meeting in July of each year. All announcements of meetings including any changes in location, date or time will be published on the NEO-RLS website.

The Trustees have a written agenda for each meeting. Any citizen or NEO-RLS member wishing to be part of the agenda must give the Executive Director twenty-four hours written notice of the request to address the Board. Each speaker will be permitted to speak for five minutes. Notification will allow the Board to better address these concerns at the meeting.

2.9.2 Types of Meetings

The meetings of the NEO-RLS Board that are subject to the Sunshine Law are: regular meetings, special meetings, or any other meeting where a majority or more trustees are present. If decision-making is delegated by the NEO-RLS Board to another group, then the meetings of that group must also comply. In addition, all committees of the Board must comply with the Sunshine Law.

2.9.3 Minutes

Minutes are kept of all regular and special meetings by the Board Secretary and maintained and housed with the Fiscal Officer. Board minutes may be viewed on the NEO-RLS website within a timely fashion after Board approval. Committee meeting minutes are kept by an appointed Committee member and are maintained and housed with the Fiscal Officer.

2.9.4 Executive Session

The Ohio Sunshine Law specifies that at regular and special meetings of the Board, in the interest of effective government or confidentiality, certain discussions may be conducted within an executive session at which only certain specified individuals are present. Executive sessions may only be held as part of a regular or special meeting. Executive session must be approved by a majority of the quorum and by roll call vote. The minutes of regular or special meetings must include a report of the general matter of the executive session. During an executive session, discussions and deliberations may take place on permitted matters. No final decision may be made during executive session. All voting shall take place in a public meeting. The topics that may be discussed in executive session are limited to personnel matters, real property transactions, conferences with attorneys and auditor’s exit conferences.
2.9.4.1 Personnel Matters

An executive session may be called for the purpose of discussing the appointment, employment, dismissal, discipline, promotion, demotion or compensation of a public employee. 2.9.4.2 Purchase or Sale of Property

The purchase of property for NEO-RLS purposes or the sale of NEO-RLS property at competitive bidding may be discussed in executive session, in order to prevent premature disclosure of information and creating an unfair competitive advantage. The actual purchase or sale shall take place in a public meeting.

Conferences between the NEO-RLS Board and its attorney may be held in executive session as long as the conferences concern a dispute involving NEO-RLS in pending or imminent court action.

ORC 149.43 defines public records as any document, device or item regardless of the physical form or characteristic, including an electronic record, that is created or received by or coming under the jurisdiction of NEO-RLS that documents the organization, functions, policies, decisions, procedures or other activity of NEO-RLS. All records are public unless they are specifically exempt from disclosure under the Ohio Revised Code.

In order to facilitate broader access of such records, NEO-RLS shall organize and maintain its records in such a manner so that they can be made available in accordance with this policy.

All public records (which include vendor requests for records of NEO-RLS member libraries) not specifically excluded from disclosure, must upon request, be promptly prepared and made available for inspection to any person at all reasonable times during regular business hours. Upon request, copies of the records are to be provided at cost. When portions of a record are exempt from disclosure, the exempt portions are to be redacted and the rest of the record released. Any redactions must be accompanied by a supporting explanation including legal authority as required by and detailed in the Ohio Revised Code.

The requester must identify the records requested with sufficient clarity to allow NEO-RLS to identify, retrieve and review the records. If it is not clear what is being sought, the Executive Director or Fiscal Officer must contact the requester for clarification. Whenever possible, NEO-RLS will provide public records in the format requested. However, NEO-RLS is not required to provide records in a format other than how they are normally created or stored. The Executive Director or Fiscal Officer will inform the requester as to the manner in which the requested records are created and stored.

Documents in electronic mail format are records as defined by the Ohio Revised Code when their content meets the definition of a public records. Email is to be treated in the same fashion as other types of records.

Records in private e-mail accounts used to conduct public business are subject to disclosure, and all NEO-RLS employees must retain e-mails that relate to public business and copy them to their business e-mail accounts.

2.13 Retention and Disposal of Records

NEO-RLS, like all other public entities in the State of Ohio, must retain records from year to year. Although the Ohio Revised Code does not set guidelines for libraries or regionals, the NEO-RLS Board of Trustees adopts the following policy for records retention:

Vendors are included in the program following procedures established by the Executive Director and the Fiscal Officer.

2.17 Continuing Education Policy

NEO-RLS offers a wide variety of continuing education experiences for various types of libraries and all levels of staff and trustees at these libraries. The purpose of these learning experiences is for attendees to keep abreast of changes in the library world and in their own area of responsibility; improve their professional skills and knowledge; improve the quality of service that their library provides; and share information among NEO-RLS’ diverse membership.

The Continuing Education program NEO-RLS provides is a primary component of its mission statement, and NEO-RLS strives to offer quality programs at significantly lower costs than the private sector. NEO-RLS contracts with qualified presenters and trainers for workshops and other continuing education activities in support of its mission.

To determine the Continuing Education needs of NEO-RLS’ diverse membership, a needs assessment will be conducted bi-annually. NEO-RLS will regularly evaluate programs offered to determine the effectiveness of the subject matter and the abilities of the presenters and topics for future presentations.

Continuing Education certificates may be awarded to individuals upon the completion of each NEO-RLS workshop.

2.17.1 Contracted Training

**Committed fund balance**

**Definition**—Includes amounts that can be used only for the specific purposes determined by a formal action of the board of trustees.

**Authority to commit**—Commitments will only be used for specific purposes pursuant to a formal action of the board of trustees of the Northeast Ohio Regional Library System. A majority vote is required to approve a commitment and a two-thirds majority vote is required to remove a commitment.

**Assigned fund balance**

**Definition**—includes amounts intended to be used by NEO-RLS for a specific purpose but do not meet the criteria to be classified as restricted or committed. In governmental funds other than the general fund, assigned fund balance represents the remaining amount that is not restricted or committed.

**Authority to assign**—the Board of Trustees delegates to the Fiscal Officer and/or the Executive Director or their designee the authority to assign amounts to be used for specific purposes. Such assignments cannot exceed the available (spendable, unrestricted, or uncommitted) fund balance in any particular fund.

**Unassigned fund balance**

**Definition**—includes the residual classification for the government’s general fund and includes all spendable amounts not contained in the other classifications. In other funds, the unassigned classification should be used only to report a deficit balance from overspending for specific purposes for which amounts had been restricted, committed, or assigned.
**Encumbrance reporting**

Encumbering amounts for specific purposes for which resources have already been restricted, committed or assigned should not result in separate display of encumbered amounts. Encumbered amounts for specific purposes for which amounts have not been previously restricted, committed or assigned, will be classified as committed or assigned, as appropriate, based on the definitions and criteria set forth in GASB Statement No. 54.

**Prioritization of fund balance use**

When expenditure is incurred for purposes for which both restricted and unrestricted amounts are available, it shall be the policy of the Northeast Ohio Regional Library System to consider restricted amounts to have been reduced first. When expenditure is incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used, it shall be the policy of the Northeast Ohio Regional Library System that committed amounts would be reduced first, followed by assigned amounts and then unassigned amounts.

**Minimum committed fund balance for cash flow**

The Northeast Ohio Regional Library System will maintain a minimum committed fund balance in its General Fund sufficient to provide operating cash flow for the governmental pooled funds from July 1st through June 30th of each year. This minimum fund balance is to protect against cash flow shortfalls related to timing of projected revenue receipts.

**Replenishing deficiencies**— when fund balance falls below the minimum necessary to ensure sufficient cash flow for operations, NEO-RLS will replenish shortages/deficiencies by either reducing expenditures and/or increasing fees for services or other funding as soon as reasonably possible. The strategies and time frame to accomplish the replenishment shall be recommended by the Fiscal Officer and/or the Executive Director to the Finance Committee for review and approval.

**Surplus fund balance**— should there be surplus unassigned fund balance, NEO-RLS will determine use of such fund balance surpluses. These surplus funds will remain in the general fund as a surplus carryover until NEO-RLS determines its use.

**Implementation and review**

Upon adoption of this policy, the board of trustees authorizes the Fiscal Officer to establish any standards and procedures which may be necessary for its implementation. The Fiscal Officer shall review this policy at least annually and make any recommendation for changes to the Finance Committee.
3.1.7 Reserve Fund

The Reserve Funds, which are part of the Local Cash Fund, are used to account for committed funds for the purpose of “going out of business.” Board action has established that a designated amount will be kept in the Reserve Fund for this purpose.

3.1.8 Technology Fund

The Technology Fund is a capital projects fund to account for technology related purchases and expenses. This fund will be governed by existing expenditure policies.

3.2 Expenses

3.2.1 Checking Account

The Checking Account is used to pay all expenses.

All checks written from the regular account require two (2) signatures: that of (a) the Fiscal Officer or the Deputy Fiscal Officer and (b) the Board President or any officer currently authorized should the Board President be unavailable.

3.2.2 Purchase Orders

A purchase order is required prior to any expenditure of funds, and must be signed by (a) the Executive Director and (b) the Fiscal Officer. The Executive Director is assuring that funds are properly expended and the Fiscal Officer is assuring that funds are available for the expenditure.

3.2.3 Credit Card Policy

The use of credit cards is for the efficient acquisition of goods and services solely for the benefit of the operation of NEO-RLS.

This policy applies to all payment cards, checks or other payment instruments associated with a credit account issued by a financial institution or a retailer. All such cards and instruments are referred to herein as “credit cards”.

This policy does not apply to procurement cards (P-cards), or to gas cards or other payments cards that are capable of use only for the purchase of certain limited types of goods.

NEO-RLS will not obtain or maintain debit cards.
The Fiscal Officer will work with the appropriate financial institutions that issue credit cards to determine the best type of credit card accounts for NEO-RLS, and also determine which store accounts NEO-RLS will utilize.

1. The Fiscal Officer is responsible for working with the financial institution to determine the dates when credit cards expire and the re-issuance of replacement cards
2. The Fiscal Officer is responsible for determining, when necessary, the need to cancel a credit card account and any adjustment to credit limits on the credit cards
3. The Fiscal Officer is responsible for notifying the issuing financial institution of a lost or stolen card

The NEO-RLS Board of Trustees shall permit the Executive Director, Fiscal Officer, Education and Events Coordinator and Research and Innovation Coordinator to use credit cards for:

- Expenses incurred while travelling as official representatives of NEO-RLS
- Office Supplies
- Workshop venues, food and supplies
- Speaker Travel Expenses
- Emerging Tech Lab supplies
- Recurring bills approved by the Fiscal Officer
- Purchases not available through standard purchase order procedure

The credit cards shall list NEO-RLS and the names of the approved staff members as cardholders. All cardholders will be required to sign a Cardholder Agreement Form prior to initial receipt of a credit card. The Credit Card Policy and Credit Card Form establish the Credit Card Program. It is the responsibility of the employee to report lost or stolen credit cards or if NEO-RLS personnel become aware of unauthorized or fraudulent use of NEO-RLS’ credit card accounts, the same must be reported immediately to the Fiscal Officer and Compliance Officer. The Fiscal Officer will then take proper measures to ensure that the card will be replaced.

All monthly credit card statements and other correspondence associated with the credit card accounts will be sent to NEO-RLS. Payment of monthly statements must be made in a timely fashion so that finance charges and late payments fees are not incurred.

All credit card purchases must be accompanied by an itemized receipt. In cases where an itemized receipt is not produced, the employee will be liable and will reimburse NEO-RLS for the amount not accounted for. Consistent missing receipts will result in forfeiture of the credit card. All purchases not covered by a blanket purchase order require a requisition approved by the Executive Director prior to purchases. All of the NEO-RLS’ regular purchasing procedures
apply to credit card purchases. Itemized receipts, purchase orders, packing lists and check will be kept with the reconciled credit card statement.

Use of a credit card for personal expenditures, for expenditures in excess of the applicable credit limit, or otherwise in violation of this policy constitutes a misuse of the credit card. Cash withdrawals are not permitted using a credit card. The credit card vendor will restrict cash withdrawals as a security measure. Any NEO-RLS personnel engaging in misuse of a credit card may be subject to disciplinary action up to and including termination of employment.

All monthly credit card statements will be reviewed by those Board members who sign NEO-RLS’ checks. The Fiscal Officer will also review the credit card statements on a monthly basis and will sign an attestation to such review.

The NEO-RLS Board of Trustees appoint the Executive Director as the Compliance Officer to semi-annually review all credit card accounts including the number of cards issued and the number of active cards issued, the card’s expiration dates, use of the cards and the credit card limits to ensure that use is in the best interest of NEO-RLS.

All attendees, speakers, sponsors, employees and venue employees at meetings workshops and conferences are required to agree with the following code of conduct in order to ensure that all of our events are inclusive and free from all forms of harassment so that participants are able to feel safe and benefit equally from the event.

In accordance with this policy, harassment includes unwanted and offensive verbal and physical interaction including, but not limited to, comments or actions related to gender, gender identity and expression, sexual orientation, disability, physical appearance, body size, race, religion, or other group identity, sexual images in public spaces, deliberate intimidation, stalking, following, harassing photography or recording, sustained disruption of talks or other events, inappropriate physical contact, and unwelcome sexual attention. Sexual and/or discriminatory language and imagery is not appropriate for any event venue including sessions and networking events.

If anyone experiences or sees someone engaged in harassing behavior, please report it immediately to NEO-RLS staff or representatives who can be identified by their name tags and/or seated at registration table. APPENDIX C

MESSAGE BOARD COMMUNICATION ETIQUETTE

The NEO-RLS Message Boards are for the convenience of our Network Groups. Message Board conversations should focus on topics of interest to the group and may include the sharing of ideas, solving of problems, information about conferences and learning opportunities, requests for information and otherwise providing peer to peer support on a continuing basis. We ask that you abide by the following Message Board etiquette in order to ensure a safe and respectful climate of respectful and fruitful dialogue. Communication through the Message Boards should also be in compliance with the NEO-RLS Code of Conduct.

Message Board Etiquette

- Include a signature line on all messages with your name, library affiliation and email address.
- Use the subject line and state your topic clearly so that members may respond appropriately.
- To receive a Daily Digest, login to neo-rls.org and opt in to the Daily Digest.
- To unsubscribe from the Message Board, login to neo-rls.org and opt out of the Message Board.
- Send messages to the entire Message Board only when there is information that is beneficial to everyone or when seeking an answer to a question that many may be able to assist with. Conversation should focus on topics of interest to the Network Group and comments should add constructively to the conversation.
- Please read messages carefully before responding in order to avoid duplicating prior responses and keep responses focused on the topic being discussed.
- Do not challenge or attack others. Members who post messages that do not comply with these guidelines or the NEO-RLS Code of Conduct will be removed from the Message Board as determined by the Executive Director.
- Do not post commercial messages including solicitations or advertisements for services or products unless as a response to a direct request on the Message Board.
- Use caution when discussing products or services. Keep criticism of products, services or individual providers on an objective basis. Posted information falls under public record and comments could be subject to libel, slander and antitrust laws.
- Remember that neither NEO-RLS nor any Network participants are offering legal advice on the Message Board. Members are speaking solely on behalf of their own situation as related specifically to their library. Please consult with your legal counsel about any situation and how it may affect your library.
