

DEIA Strategies

Diversity, Equity, Inclusion and
Accessibility

The DEIA Strategies Group serves as a resource to the Executive Director in the areas of diversity, equity, inclusion and accessibility in order to promote a diverse work force, foster DEIA in policies, practices, programming and services, and ensure that the staff, Board members and member libraries and their employees understand that DEIA work is everyone's responsibility. The Advisory Group will also make recommendations for the recruitment of a diverse community of Board members, Committee members, program presenters, and future staff members using a DEIA lens.
