Executive Director
Betsy submitted a written report and also reported:
- Definitively selected to do strategic planning for Avon Lake, Portage County, and a scaled back strategic planning for Lorain Public Library System.
- OELMA asked NEO-RLS as an organization to participate in planning a joint ALAO/OLC/OELMA event in June. NEO-RLS has decided that there is not staff time available to participate. Beverly Cain was notified.

- 2020 E-Tech symposium will be the Innovation Mindset. Case withdrew from participating until 2021 due to ongoing renovations.
- OELMA work has been 21 hours per week, the proposal was based on nine hours a week. This may be due to the major transition. But the contract may have to be increased, as it is unlikely that it could be reduced to nine hours a week.

- Fifty-One Archived Webinars have been attended since posting them on February 2/25. Archived webinars will be posted on the CE calendar for Fridays and Mondays.

- A lot of work has been done for OELMA including letterhead, exhibitor prospectus and flyers.

**Board Officers**

Board President Jim Wilkins and Betsy Lantz addressed the need for an ad-hoc committee to help with the NEO-RLS awards. This will provide areas to grow in leadership and to help with the work load of the staff. Kim Garrett has offered to be in charge of the awards committee. It was also mentioned that the awards need to be expanded to include academic libraries.

**Committee Reports**

**Finance Committee**

The Finance Committee met prior to the regular meeting to accept the Personnel Committee recommendation of a 3% raise for all staff with the exception of Deborah Blair who will receive a 7% raise to bring her in line with other employees and to reflect her additional responsibilities. This will be reflected in the 2019-20 budget.

The committee also discussed the proposal for the NEO-RLS webinar packages for SWON, NORWELD, SERLS and the New Castle (PA) Library District. The committee recommended that the Board approve **Board Resolution 2019-26** that raises the 2020-2021 public library membership dues by 2.5% and the academic, special and school library membership dues by 6%. The resolution passed unanimously by roll call vote.

**Ad-Hoc Strategic Planning Committee**

Kim reported on the outcomes of the meeting. Recommendations included creation of additional ad-hoc committees, and more involvement by members on the board. Ownership and planning of big events by members will provide meaningful leadership opportunities. The strategic plan is achievable and flexible. There will a vote at the May meeting.

**New Business**

**Board Elections**

A notice will go out on the first of April to notify members that there are three At-Large seats open, as well as the school trustee seat.

Laura Leonard, Amy Switzer and Chuck Vesei are all up for re-election. A library can designate someone else as their representative if another staff person is interested. Short biographies and interest statements will be required for those running. The Grand River Academy has chosen to close their library and Joe Zapitello will not be eligible to run for the school seat. Joe has been appointed to serve out his term until the end of June.

The motion passed unanimously by roll call vote.

**Finding Your CE Survey results**

continuing education at OLC. 58% of respondents want to look for workshops by competency. Most people like to plan for workshops weeks in advance. 100% of respondents are interested in topics outside of their specific position. 81% can find information easily on the website. The new CE Guide will be updated to reflect the suggested changes, including expanding the various ways the Guide can be searched.

Back-ups were not being processed but a disk to VHD process is in place until servers are moved to the cloud. Vulnerabilities that were discovered on the domain server are being addressed.
